

OPERATIONS DIRECTOR

Central Scotland

Our client is a highly successful private equity backed company with a turnover approaching £60m pa. They now seek to appoint an Operations Director who will sit alongside the Finance, Sale/Marketing and Technical Directors and report to the Chief Executive.

The role will have responsibility for the main production site (managed through the Site Manager), Quality and Testing, Purchasing, Logistics, HSE and HR. We are looking for someone who is strong on people management, processes and logistics. They will be commercially astute and focused on improving the overall performance of the business. There are ambitious plans to develop the business by opening another site and in time sites – this appointment is a key part of those plans and is designed to strengthen the depth of the leadership team.

In addition to a good basic salary there is bonus potential of up to 50%, share options, car allowance and a range of other benefits.

To apply for this role, please send your CV along with a covering letter detailing current/most recent remuneration to Scott Black at submit@fwbltd.com
