

PROJECT DIRECTOR

Salary in the region of £120k with good benefits

Aberdeen

Our client is a global engineering company. Its business is expanding extensively in Aberdeen and the company would like to recruit an experienced business developer to build the business in the north east.

Potential candidates should have a strong engineering background with proven business development skills within the Aberdeen area, and excellent leadership qualities. Entrepreneurial drive and a good knowledge of the energy sector are also important.

Salary will be in the region of £120,000 with good benefits.

To apply for this position please send a CV with covering letter including current remuneration details to Judy Wagner at: apply@fwbltd.com
